

REQUEST FOR ENROLMENT IN THE UNIVERSITY OF THE BAHAMAS OFF-CAMPUS HOUSING REGISTRY

Owners of apartments, homes, duplexes, condos and other residential rental options must apply and meet stipulated criteria in order to be enrolled in the University of The Bahamas (UB) Housing Registry. UB will disburse directly to approved property owners \$500 monthly per student for 10 months of the academic year. The balance of payments (including first and last month's rent and security deposits) will be the responsibility of the renter-s/guardian-s who enter/s into the rental agreement. UB assumes no responsibility in this regard. The University must review each property annually. A property's enrollment may be rescinded or suspended if the property no longer meets the criteria or reported issues are not appropriately addressed. The **Landlord and Tenant Act** applies.
