

UNDERGRADUATE DUAL DEGREE WITHDRAWAL FORM

To change a programme classification from a dual to a single degree, students must submit a completed **UNDERGRADUATE DUAL DEGREE WITHDRAWAL FORM** to the Head of the Academic Unit responsible for the affected degree. The Head will forward the form with his/her recommendation to the relevant Academic Dean who will make a determination and forward the form to the Records Department by the end of the third week of the semester in which the student wishes the change to be effective. An **UNDERGRADUATE DUAL DEGREE WITHDRAWAL FORM** submitted after the third week of the current semester may not become effective until the following semester.
