OF THE BAHAMAS

General Education Requirements

Office of Academic Affairs

UB's General Education Programme

- Ensures that you receive a liberal arts education;
- Ensures that you graduate with more than the knowledge and skills provided by courses in your major;
- Provides you with a basic understanding of other disciplines; and
- Provides the educational foundation needed to become an engaged and informed citizen in a diverse and rapidly changing world.

General Education Requirements

- 
- Bachelor degree students take a minimum of 14 Gen Ed courses or 37 credit hours.
 - Associate degree students take a minimum of 11 Gen Ed courses or 28 credit hours.

General Education Requirements

- Based on your prior learning, you may be exempted from some Gen Ed courses.
- Consult your academic advisor or the UB website (<http://www.ub.edu.bs/academics/undergraduate-studies/general-education/>) for possible exemptions.
- Refer to your programme of study which may specify the Gen Ed courses needed to fulfill your programme requirements.

General Education Requirements

All courses are not offered every semester. When registering, you will only be able to search those Gen Ed courses that are offered during that particular semester.

General Education Requirements

REMEMBER:

- Refer to your programme of study which may specify some of the Gen Ed courses needed to complete degree and graduation requirements.
- Consult your academic advisor and consult <http://www.ub.edu.bs/academics/undergraduate-studies/general-education/>
