

University of The Bahamas Alma Mater

Music and words by
Christian Justilien

We've come to build together a dream for this great land,
Like palm trees tall upon this landfall called Bahamaland.

The future is before us like endless sea and sand.

We'll chart a course with alma mater proudly we will stand.

A beacon for these islands embraced in shallow seas,

UB will lift our spirits high for all the world to see.

With hands and hearts together we'll be a guiding light,

We'll live to praise our alma mater 'neath the clear blue skies.

We'll live to raise our alma mater's banner waving high!
