Clinical Supervisor, Nursing

The Faculty of Pure and Applied Sciences is pleased to invite applications for the position of Clinical Supervisor, Nursing. This full-time appointment will begin 1 August 2019.

The Nursing Department is seeking to hire individuals committed to serve as role models and mentors for nursing students. Successful candidates will demonstrate the ability to supervise and evaluate nursing students in the clinical and laboratory environments. They will ensure that students incorporate fundamental nursing principles in the delivery of holistic, quality nursing care to clients, families and communities; across the life span at all levels of care.

Responsibilities. Liaise with faculty and clinical staff to evaluate students' performance of clinical skills and procedures; demonstrate proper technique in the performance of clinical skills and procedures; provide ongoing constructive feedback to students; ensure that students document their clinical experiences according to established protocols; monitor students' attitudes as well as adherence to established nursing policies, protocols and codes of conduct; and assist in preparing students for the Nursing Council Clinical Assessments.

Qualifications. Candidates must have a Bachelor of Science Degree in Nursing from an accredited institution; a minimum of five years' post-basic experience with preferred specialty in medical and surgical nursing preferred, although candidates with post-basic experiences in community, midwifery, intensive care, or psychiatric nursing will be considered; certification in Advanced Cardiac Life Support; and registration with The Nursing Council of The Commonwealth of The Bahamas are required.

Setting. University of The Bahamas (UB) is a vital catalyst for national development. Chartered on 10th November 2016, UB had its genesis in The College of The Bahamas which

was established in 1974. Since 1995, the institution's academic offerings have expanded through the introduction of baccalaureate degree programmes offered across a broad range of approximately 60 majors. Master's degree programmes have included an MBA and an MSc in Reading and Inclusive Education as well as graduate degree programmes offered in collaboration with various US universities. UB operates from the Oakes Field Campus and the Grosvenor Close Centre in New Providence; UB-North in Grand Bahama; and the Gerace Research Facility in San Salvador. Additional sites are planned for throughout the archipelago.

Application. Application materials should include:

1. A cover letter describing academic philosophy and vision, research and publications;
2. Copies of academic certificates;
3. Copies of transcripts of all undergraduate and graduate degree programmes completed;
4. A current and complete curriculum vitae;
5. Copy of relevant pages of a valid passport showing photo ID, passport number and expiration date;
6. Names and contact information of three persons who can provide letters of reference;
7. Completed UB Application for Employment Form found at this link:
