

Assistant/Associate Professor, Computer Information Systems
University of The Bahamas, Commonwealth of The Bahamas

Date Posted	January 2022
Type	Three-year contract with an option to renew
Salary	Negotiable
Employment Type	Full-time

The College of Business is pleased to invite applications for the position of Assistant/Associate Professor, Computer Information Systems. This full-time appointment will commence August 2022.

Responsibilities: The Computer Information Systems Department is seeking candidates with the ability to teach undergraduate and graduate courses in the areas of software applications, information systems, programming, web development, networking, database, information assurance, security and cybersecurity (but not limited to these areas); in a face-to-face, hybrid/blended and virtual environment. The successful candidate will be required to participate in student recruitment and advisement, supervise computer information students on internship, engage in research and scholarly activities, assist with identifying and obtaining grants and other capital opportunities, participate in curriculum review, revision and development, and serve on departmental, college, university-wide and external committees.

An earned PhD or DBA in Computer Information Systems and or Information Assurance or Cybersecurity from an accredited institution is required with teaching experience.

Qualifications. Candidates must possess an earned PhD or DBA in Computer Information System or Information Assurance or Cybersecurity from an accredited institution; with teaching experience at the undergraduate and graduate levels; professional or managerial experience; and evidence of research and scholarship.

Setting: The University of The Bahamas (UB) is a vital catalyst for national development. Chartered on 10th November 2016, UB had its genesis in The College of The Bahamas which was established in 1974. Since 1995, the institution's academic offerings have expanded through the introduction of baccalaureate degree programmes offered across a broad range of approximately 60 majors. Master's degree programmes include an MBA with six areas of specialization, Masters of Research, a MSc in Reading and Inclusive Education, and a Ph.D. Research. In prior years, UB offered graduate degree

programmes in collaboration with various US universities. UB also offers diplomas in Public Administration and Reading with Inclusive Education. UB operates from the Oakes Field Campus and the Grosvenor Close Centre in New Providence; UB-North in Grand Bahama; and the Gerace Research Facility in San Salvador. Additional sites are planned for throughout the archipelago.

Application: Application materials should include:

1. A cover letter describing academic philosophy and vision, research and publications;
2. Copies of academic and professional qualifications;
3. Copies of transcripts of all undergraduate and graduate degree programmes completed;
4. Current and complete curriculum vitae or resume;
5. Copy of relevant pages of a valid passport showing photo ID, passport number and expiration date;
6. Three letters of reference;
7. Completed UB Application for Employment Form found at this link:
<http://www.ub.edu.bs/wp-content/uploads/2016/10/UB-Application-for-Employment-Faculty.pdf>

To Apply: Apply electronically at facultyapply@ub.edu.bs noting the position in the subject field. Only electronic submissions will be accepted. Attach the following in one e-file/document with your electronic submission: cover letter; academic certificates; transcripts; curriculum vitae; copy of relevant pages of valid passport; names and contact information of three persons who can provide letters of reference; and a completed UB Application for Employment form.

Additional materials will be required of shortlisted candidates. For additional information or informal inquiries, contact vpaa@ub.edu.bs.
