

Assistant/Associate Professor, Nursing
University of The Bahamas, Commonwealth of The Bahamas

Date Posted	January 2022
Type	Three-year contract with an option to renew
Salary	Negotiable
Employment Type	Full-time

Assistant/Associate Professor, Nursing

The Faculty of Pure & Applied Science is pleased to invite applications for the position of Assistant/Associate Professor, Nursing. This full-time appointment will begin August 2022.

The Department of Nursing is seeking a faculty colleague with a record of excellence in undergraduate teaching and research. The Department has a history of excellence in nursing education and is recognized as the premier training institution for nursing in The Bahamas. Our faculty are diverse and dynamic educators who incorporate both theoretical and clinical concepts through the use of creative teaching and state of the art technology in the teaching environment. Our strong partnership with all major stakeholders in the health care sectors affords us the opportunity to offer a variety of clinical sites for students' learning experiences. Additionally, the Department is committed to utilizing the energy and creativity of research faculty and students to create and apply new knowledge to address challenges and seize opportunities that cut across the core area of health and wellness. As a result, we especially encourage applications from those professionals who can establish a research agenda that addresses issues at the nexus of health and the environment and from professionals who can help us continue to prepare exceptional and ethical students.

Responsibilities. Teach introductory and advanced courses in nursing; engage in research and scholarly activities; assist in securing external grants and other funding opportunities; engage in curriculum review, revision and development; participate in student recruitment and advisement; serve on departmental, school, university-wide and external committees.

Qualifications. Candidates must have an earned PhD in Nursing or a closely related field from an accredited institution; a minimum of two years full-time teaching or research at the tertiary level; evidence of research and scholarship; evidence of the ability/credentials to be registered as a nurse in the Commonwealth of The Bahamas. Applicants who demonstrate the ability to establish a research

agenda that addresses issues at the nexus of health and the environment will be given special consideration.

Setting: The University of The Bahamas (UB) is a vital catalyst for national development. Chartered on 10th November 2016, UB had its genesis in The College of The Bahamas which was established in 1974. Since 1995, the institution's academic offerings have expanded through the introduction of baccalaureate degree programmes offered across a broad range of approximately 60 majors. Master's degree programmes have included an MBA and an MSc in Reading and Inclusive Education as well as graduate degree programmes offered in collaboration with various US universities. UB operates from the Oakes Field Campus and the Grosvenor Close Centre in New Providence; UB-North in Grand Bahama; and the Gerace Research Facility in San Salvador. Additional sites are planned for throughout the archipelago.

Application: Application materials should include:

1. A cover letter describing academic philosophy and vision, research and publications;
2. Copies of academic qualifications;
3. Copies of transcripts of all undergraduate and graduate degree programmes completed;
4. Current and complete curriculum vitae;
5. Copy of relevant pages of a valid passport showing photo ID, passport number and expiration date;
6. Three letters of reference;
7. Completed UB Application for Employment Form found at this link:
