

Assistant Professor, Digital Media Production
University of The Bahamas, Commonwealth of The Bahamas

Date Posted	February 2023
Type	Three-year contract with an option to renew
Salary	Negotiable
Employment Type	Full Time

The Department of Journalism and Communication is seeking a faculty member who is able to teach communication and media courses, including production, radio production, digital photojournalism, digital video production and online media. The full-time appointment will commence August 2023.

Responsibilities: Reporting to the Head of Department of Journalism and Communication will be responsible for:

- Teaching general communication courses: introduction, intermediate and advanced levels of sound production; radio production; digital photojournalism; digital video production, and online multi-media production including newspaper, magazine, blogs, vlogs;
- Participating in student recruitment and advisement.
- Participating in student productions and publications management
- Engaging in research and scholarly activities;
- Serving on departmental, school and university-wide committees.

Qualifications: An earned MA in Media Journalism, Journalism or Mass Communication from an accredited institution (PhD in same areas is preferred); Proficiency in writing and speaking the English language; excellent tertiary-level teaching, a minimum of three years' experience; Evidence of current publication and/or production experience.

Setting: The University of The Bahamas (UB) is a vital catalyst for national development. Chartered on 10th November 2016, UB had its genesis in The College of The Bahamas which was established in 1974. Since 1995, the institution's academic offerings have expanded through the introduction of baccalaureate degree programmes offered across a broad range of approximately 60 majors. Master's degree

programmes have included an MBA and an MSc in Reading and Inclusive Education as well as graduate degree programmes offered in collaboration with various US universities. UB operates from the Oakes Field Campus and the Grosvenor Close Centre in New Providence; UB-North in Grand Bahama; and the Gerace Research Facility in San Salvador. Additional sites are planned for throughout the archipelago.

Application: Application materials should include:

1. A completed University of The Bahamas Application for Employment Form (www.ub.edu.bs/hrprofile);
 2. A letter of interest (highlighting work experience and accomplishments relevant to the position);
 3. An up-to-date curriculum vitae or resume;
 4. Copies of Academic Qualification;
 5. Portfolio of evidence of production;
 6. Unofficial transcripts (official transcripts needed for employment);
- AND**
7. At least three confidential, professional references.

To Apply: Apply electronically at facultyapply@ub.edu.bs noting the position in the subject field. Only electronic submissions will be accepted. Attach all of the above listed in one electronic file.
