MESSAGE FROM THE BOARD OF TRUSTEES: THE PRESIDENTIAL SEARCH

Dear members of the university community,

With the current acting appointment of President Janyne Hodder scheduled to conclude in June 2025, the Board of Trustees (BOT) will ensure a rigorous and transparent process in selecting the next president of University of The Bahamas.

We are pleased to advise that the BOT is in the process of establishing a Presidential Search Committee, comprised of representatives from within our university community and the broader public. This inclusive approach ensures a range of perspectives and expertise will contribute to the selection process. Additionally, a presidential search consulting firm will also be engaged.

Throughout this process, the Board will provide regular updates and create opportunities for engagement and feedback from stakeholders. We extend our heartfelt gratitude to each member of our university community for your unwavering support and commitment to our shared mission.
