NURSES PLEDGE

In full knowledge of the obligations I am undertaking, I promise to promote health with all the knowledge, skills and understanding I possess without regard to race, creed, colour, politics and social status, sparing no efforts to conserve life, to care for the sick and alleviate suffering. I will respect at all times the dignity and religious beliefs of the patient under my care, holding in confidence all personal information entrusted to me and refraining from any action which may endanger life or health.

I will do my utmost to uphold the International Code of Nursing Ethics and to uphold the integrity of the nurse.
