TEACHERS' PLEDGE

I WILL promote equity in education, having high expectations and giving strong support to all students.

I WILL create a learning environment, which encourages mutual respect, personal trust and confidentiality among students and other stakeholders.

I WILL facilitate and monitor students' learning, actively building on their prior knowledge and experiences.

I WILL utilize research to inform professional practice and national development.

I WILL participate in relevant professional global communities for the enhancement of "sustainable education".

I WILL conduct myself with utmost integrity, honesty and professionalism, always protecting those entrusted to my care.

I WILL uphold the principles and standards of this noble profession.
