Teachers' Pledge

I WILL promote equity in education, having high expectations and giving strong support to all students.

I WILL create a learning environment, which encourages mutual respect, personal trust and confidentiality among students and other stakeholders.

I WILL facilitate and monitor students' learning, actively building on their prior knowledge and experiences.

I WILL utilize research to inform professional practice and national development.

I WILL participate in relevant professional global communities for the enhancement of "sustainable education".

I WILL conduct myself with utmost integrity, honesty and professionalism, always protecting those entrusted to my care.

I WILL uphold the principles and standards of this noble profession.

Alma Mater

Class of 2024

Alma Mater

Christian Justilien, 2016

We've come to build together a dream for this great land,
Like palm trees tall upon this landfall called Bahamaland.
The future is before us like endless sea and sand.
We'll chart a course with alma mater proudly we will stand.

A beacon for these islands embraced in shallow seas,
UB will lift our spirits high for all the world to see.
With hands and hearts together we'll be a guiding light,
